**Notice of Non-Compliant
Amendment (37 CFR 1.121)**

Application No.

10/050,834

Examiner

ERNESTO GARCIA

Applicant(s)

MOLENAAR, KELLY

Art Unit

3679

-- The MAILING DATE of this communication appears on the cover sheet with the correspondence address --

The amendment document filed on 09 June 2008 is considered non-compliant because it has failed to meet the requirements of 37 CFR 1.121 or 1.4. In order for the amendment document to be compliant, correction of the following item(s) is required.

THE FOLLOWING MARKED (X) ITEM(S) CAUSE THE AMENDMENT DOCUMENT TO BE NON-COMPLIANT:

- ☒ 1. Amendments to the specification:
- ☒ A. Amended paragraph(s) do not include markings.
 - ☐ B. New paragraph(s) should not be underlined.
 - ☒ C. Other See Continuation Sheet.
- ☐ 2. Abstract:
- ☐ A. Not presented on a separate sheet. 37 CFR 1.72.
 - ☐ B. Other _____.
- ☒ 3. Amendments to the drawings:
- ☒ A. The drawings are not properly identified in the top margin as "Replacement Sheet," "New Sheet," or "Annotated Sheet" as required by 37 CFR 1.121(d).
 - ☐ B. The practice of submitting proposed drawing correction has been eliminated. Replacement drawings showing amended figures, without markings, in compliance with 37 CFR 1.84 are required.
 - ☒ C. Other See Continuation Sheet.
- ☐ 4. Amendments to the claims:
- ☐ A. A complete listing of all of the claims is not present.
 - ☐ B. The listing of claims does not include the text of all pending claims (including withdrawn claims).
 - ☐ C. Each claim has not been provided with the proper status identifier, and as such, the individual status of each claim cannot be identified. Note: the status of every claim must be indicated after its claim number by using one of the following status identifiers: (Original), (Currently amended), (Canceled), (Previously presented), (New), (Not entered), (Withdrawn) and (Withdrawn-currently amended).
 - ☐ D. The claims of this amendment paper have not been presented in ascending numerical order.
 - ☐ E. Other: _____.
- ☐ 5. Other (e.g., the amendment is unsigned or not signed in accordance with 37 CFR 1.4):

For further explanation of the amendment format required by 37 CFR 1.121, see MPEP § 714.

TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. If any of above boxes 1. to 4. are checked, the correction required is only the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121.

Extensions of time are available under 37 CFR 1.136(a) only if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action.

Failure to timely respond to this notice will result in:

Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

/Daniel P. Stodola/
Supervisory Patent Examiner, Art Unit 3679

Continuation of 1(c) Other: The changes to the specification have not been properly made. In particular, no instructions can be found regarding which paragraphs are to be replaced. Note 37 CFR 1.121(b)(1)(i). Further, are the various paragraphs containing no markings constituting "new" paragraphs? If these are previously present paragraphs and no changes are being made, then why have they been included?

Continuation of 3(c) Other: Re: item A: The drawing sheets do not correspond to the originally filed sheets and thus do not properly constitute replacement sheets. Note that the original first sheet contained three figures, Figs. 1, 9, and 10. The second original sheet contained Figures 2-8 and the third original sheet contained Figures 11-13. Now the sheets contain different figures and thus are not the same sheets. The sheets should be labeled as "new" sheets when the respective sheet does not include only those figures present on the sheet it is to replace.

Further, the remarks fail to describe in detail the changes made to each of the sheets. 37 CFR 1.121(d) states: "All changes to the drawings shall be explained, in detail, in either the drawing amendment or remarks section of the amendment paper". The statement that the drawings were amended is a general statement and does not comply with the rule because it does not explain in detail what was changed in each of the replacement sheets.
